## Thompson & Morgan's Spring DVD 2009 – Brand new Ford Fusion to win!

Thompson & Morgan is delighted to launch its latest pioneering DVD plant catalogue, **the only one of its kind**. The programme features a full 45 minute presentation of Thompson & Morgan's products by gardening expert, Steve Brookes with TV presenter, Julie Peasgood.

To celebrate the launch of the 2009 DVD, Thompson & Morgan is **giving away a Ford Fusion car, worth more than £12,000!** All customers need to do is watch the DVD to find out how to enter.

The Thompson & Morgan's DVD is loved by Thompson & Morgan's customers as it shows **real results in real customer's gardens**. It is the perfect opportunity to see how customers can achieve the best from Thompson & Morgan's new and popular plants in their own gardens.

The DVD features live demonstrations, provides answers to customers' frequently asked questions, such as which way up a begonia tuber should be planted, as well as a wide range of practical gardening hints and tips.

Useful new inventions to help gardeners, such as Thompson & Morgan's Flower Ball are much easier seen live than on a printed catalogue page.

Rare White Egret Orchid

In addition, the Thompson & Morgan's DVD contains a wide selection of **special offers for 2009**, including order rewards, such as a Giant Flowered Fuchsia pack, which is offered free except for the cost of postage **with orders placed before 31st January 2009**.

**Some amazing products featured are the unique and rare 'White Egret Orchid', the world's first blue Busy Lizzie 'Blue Sky'™, giant flowered Hibiscus 'Newbiscus', the world's first and only climbing Petunia 'Tidal Wave' and Tomato Tomarvellous, possibly the sweetest tomato ever or your money back.**
